Dear John & Jill,

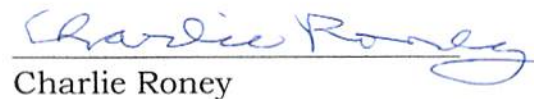

We are most grateful to you in coming to Crittenden Drive and serving as our interim minister from January 1 to July 15, 2012. Jill was greatly appreciated also for her friendliness and getting to know the congregation and the relationship of family connections.

You did an excellent job in presenting well prepared lessons. This greatly helped our congregation during the period we were selecting our new minister. We are happy to recommend you and Jill for this work as interim minister for a congregation.

Thanks again for the great job you as a fine Christian couple did for our congregation and our best wishes go with you.

Your brothers in Christ,

Frank Dockins

Charlie Roney
